Subject : Avl Middle Complaint

Ashley-Michelle,

We were contacted by a concerned resident saying that Activist Bree Newsome had been invited to speak at Asheville Middle this week while she was in town for an exhibition at the YMI. That invitation supposedly was rescinded and they are wondering why. Supposedly the organizer of the exhibition spoke at the school board mtg on Monday, but felt their complaint fell on deaf ears.

Have you heard anything about this?

Thanks
