Subject : Bree Newsome

Hi.Â

Activist Bree Newsome was dis-invited to speak to Asheville Middle School, the principal citing the fact that she had been arrested for civil disobedience. Surely AMC teaches and cares about civil rights both historically and currently. After all, NC Senator Terry Van Duyn has visited and spoken with students after having been arrested for civil disobedience.

This is very upsetting and does not set a good example for the students and young minds being educated there.

Please make a public statement and correct this wrong.

Thank you for your time.
Marshall
