Shaunda and Martha,

Greetings! I hope the work of the new board is off and running and that you all are working together well and productively. I appreciate every minute you public servants put into the work – truly.

As you know, this Bree Newsome decision has folks in a tizzy. Can you please tell me what you know about who made the decision and what the process was that resulted in the cancellation of her talk?

Thanks so much!

Amy

P.S. If a call is easier, I can be reached at 828-989-6769
