Hi Scott and Eric,

Happy Friday!

Jesse may have already told you, but I'll be picking up the coffee tomorrow AM, then running back out to get the food picked up at 10:30 / 10:45 so that everyone cat eat by 11:00.

It occurred to me that we will also need ice, as some people may want that for sweet / unsweet tea. This a small thing, I realize, but since there is still some remaining budget left for the event, I wonder how I should go about purchasing the ice? If it's easiest for either of the two of you to do that with the city's $ let's do that, or I'm happy to pick up ice today when I'm at the grocery store. I just wonder if it's possible for the city to reimburse.

Thanks for your help!

Lauren – sorry for not getting back to your sooner. I am working through a backlog of emails from last week. Also, I'll be out most of tomorrow but back the rest of the week if you need anything from me. Thanks!

Scott, any chance you can call Laurey at 67 Biltmore with the Pcard #? I already called Corner Kitchen. -Eric

Hi Eric,

Sorry about that!
Lately, this has been happening when I try to forward things. Just looping you in here - You or Scott will need to get in touch with Laurey to put card on file for the coffee.

Have a great weekend!

Hi Scott,

Thanks for your help coordinating food for the event on March 4!

I gave Dylan at Corner Kitchen Catering (48 Biltmore Ave) a call just now to add items to invoice. We'll now receive compostable utensils, plates, cups, napkins - I originally opted out of this to be sure not to go over budget since I had not secured the coffee at that time. This brings the new total to $430.14. See attachment.

I'm not sure if you or Eric will be coordinating food pickup, but I've also secured coffee this morning which will be provided by 67 Biltmore downtown eatery + catering. It will be ready for pickup March 4, 9:30 am. They will also need a card on file, or can take payment now. Please coordinate with them (828-252-1500), and ask for Laurey who spoke to Lauren with Code for Asheville.

- We will receive 3 disposable coffee boxes hot and ready to go (2 regular, one decaf). 3 @ $18/box = $57.78 total (includes cups, sweeteners, creamers)

$500 - $430.14 (corner kitchen) - $57.78 (coffee) = $12.08 remaining budget.

Please let me know if you need anything.
Happy Wednesday!
