Brownie,

I am very confused by your vote to cascade funding for I-26. My main concerns include relying on *hope* that 30-year old plans will not be used, which would negatively impact the environment, historic Burton St, and walkability/bikeability.

For your consideration: https://www.curbed.com/2018/4/6/17010042/climate-change-mayor-infrastructure-highways-parking

Kim
