I'm pretty confused here. I think maybe you're just seeing the invite that was updated to add the location, but if you accept, doesn't it still put it on your calendar for Wednesday?

I know that it's showing up as Wednesday for others, because they let me know that it conflicts with a Wednesday MMTC meeting.

The location of the planning meeting will be the

new office of Asheville CVB (Explore Asheville)

Explore Asheville (new location)

27 College Place, 28801

CVB Meeting Room

Building Location: Off the 2nd floor lobby

GPS should work. However, if 27 College Place doesn't show-up, use 31 College Place. That is the church next door to our building.

<u>Directions</u>:

- From College Street, go north on Town

Hey Ritchie!

I thought this meeting was tomorrow and not today.
