Brownie,

The draft of the TMP is now available and I feel strongly it will need attention from our elected officials in advance of a presentation in May. I have time available on Monday, 4/2 before 1pm and Friday, 4/6 before 2pm.

For example: The current draft plan suggests major or complete cuts to Haw Creek and Kenilworth, as well as cuts of 4 hours in evening service to Pisgah View Apartments. The first public comment period was last night, and we'll be seeing presentations from the consultants at the Transit Committee today at 3:30 and again at the Multi-Modal Transportation Commission on Wednesday at 3pm.

Thank you for your consideration,
Kim

Chairman Newman,

Happy New Year!

Can we schedule a a time in the next couple weeks to discuss transit? Part of our Transit Committee retreat goals for the City of Asheville involves exploring collaboration with the County, and I don't want to take a different route when you're already paving one.

Thanks for your consideration!
