Jessica, the item about funding wasn't on our draft agenda for next week. Is that something we're ready to move?

Subject: Motions from October TC for November MMTC meeting

Rich and Terri,

Here are the October motions from TC that I requested for the November MMTC agenda:

1. â€œAdvise MMTC to ask for a dedicated, City of Asheville, official social media presence for ART specially managed by Transit staff and including I-Ride alerts.â€ Passed unanimously
2. â€œRecommend that the MMTC endorse the FFAB funding initiative, which includes designation of $6 million annually in transit funding.â€ Passed unanimously.

Thank you,
Kim
