Heads up that it's a funding document that wouldn't necessarily be an item for staff to present. I am happy to present what I have or to request a presentation from one of the collaborative non-profits.

Jessica, the item about funding wasn't on our draft agenda for next week. Is that something we're ready to move?

Â
Rich and Terri,

Here are the October motions from TC that I requested for the November MMTC agenda:

1.Â â€œAdvise MMTC to ask for a dedicated, City of Asheville, official social media presence for ART specially managed by Transit staff and including I-Ride alerts.â€ Passed unanimously
2.
â€œRecommend that the MMTC endorse the FFAB funding initiative, which includes designation of $6 million annually in transit funding.â€ Passed unanimously.

Thank you,
Kim
