Subject: Transit Information Project
Attachments: ART information suggestions.docx

To Transit Committee members:

As I mentioned at last weekâ€™s Transit Committee meeting, I have been working on one of the tasks identified at last yearâ€™s retreat: identifying improvements to ARTâ€™s information media, including timetables, maps, NextBus, etc. With assistance from Just Economics, we had a focus group meeting of bus riders a few weeks ago to help identify possible improvements. The enclosed list includes suggestions from that meeting as well as some of my own. If you have time, please review the list and send me any comments, as well as additional suggestions you may have. Please reply to me only by next Monday (July 30th).

Thanks,
Bruce
