Subject: Transit Projects Coordinator Job Posting

Transit Committee,

In case you have not seen it, the Transit Projects Coordinator position is posted to the City's jobs page.Â This is the transit planner position that we received funding for in the FY19 budget.Â You can view the position here:Â Â https://www.governmentjobs.com/careers/ashevillenc/jobs/2156493/transit-projects-coordinator?page=3&pagetype=jobOpportunitiesJobs

We have a strong need for additional staff so I am trying to fill the position as quickly as possible.Â The deadline is 8/23 at 5:00PM.Â Please share with your various groups so we can get as many qualified applicants as possible.

The position was posted to the American Planning Association's national job page, and it was shared with some of the more prominent planning programs in the region so they can share with their email lists of former students.Â We are getting a great response so far and I think we will have a strong list of candidates.Â I will provide an update at the meeting this month.
