Subject: Re: [#94536] BRC Engagement Meetings

Hi Jaime and Dewana,

Thank you for reaching out - I have been out of town for the holiday but I'm back to work next week.

I've created a Google Doc with my notes / thoughts so far - please feel free to add anything that you feel would be helpful as we figure out the exact format of the meetings, the questions we should ask, etc.

I can create a powerpoint, which I will send to the full BRC membership to review. I am working to secure volunteers from Code for Asheville and possibly BeLoved - I will let you know how many people I can secure for each event next week as well.

Let me know if you have any questions in the meantime, and I'll be in touch next week!

Thank you,

Patrick Conant

I know there was a bit of discussion at the last meeting about format, please make sure to keep me in the loop about further discussions. I will be working to make sure you all have materials needed.
