Hi Adam,

I realized we never exchanged phone numbers. You can give me a call at 434-466-3800 and I will merge Eric in.

Thanks!

Yes, we'll do the 1:30. Jesse has another call at 2pm and will need to drop off at that point, so we'll keep it efficient.

Hi Adam,

I just wanted to confirm that we're on for Tuesday (the 14th). Does 12pm work for you?

Thanks!

Sorry – it's been a really insane week. Monday is out, but I could get on a call Tuesday mid-day.

Thanks. Can we all hop on the phone together early next week? Midday Mon and Tues are wide open for me. You?

Hi Adam,

I'd be happy to discuss Code for Asheville. I am CC'ing my co-captain, Eric Jackson on this reply. I'd recommend speaking with both of us as we both run the group as a volunteer community effort, but he is also the Systems Architect at the city and has a unique perspective as an employee of local government (he was heavily involved with the group before he began his employment at the city).

When are you available?

Thanks!
