---

I apologize for the tardiness on my part. Life gets in the way.

Attached is a copy of the presentation rough draft. There should be 16 slides. If you did not receive all please let me know. If anyone needs a different format, please let me know.

If you have suggestions or edits or additions. . . Please bring them up at our next meeting.Â

Do not concern yourself with aesthetics. I will take care of color, font, size, consistency. . .etc when I have all of the content complete.

Finally, Yes I can squeeze 16 slides in 10 Minutes. My plan is "shock and awe." They won't know what hit them .
