Subject: Re: Parking & Transportation SubCommittee Minutes and Next Agenda

---

Just noted another group to talk to for the loading zone survey. Food delivery! And a lot of those folks use their own vehicles. Dominoâ€™s guy delivering to Vanderbilt, but other folks use services - office and residential. And there are others - some of the pharmacies deliver as well and anyone using oxygen tanks needs delivery regularly.
We should keep looking as weâ€™re out and about.
