Subject: gender question on survey about City Government
Attachments: Screen Shot 2018-06-15 at 7.31.56 pm.png

Cathy,

I'm sure you've heard about this already, but I have to add that I was disappointed to see the only options given in the ongoing survey only list "female" and "male."Â

We could have included "non-binary" and/or perhaps "prefer not to answer." I attached a screen shot of the options.

Thanks for hearing this concern,
Kim
