Subject : Re-invite Bree Newsome

Dear Principal Dockery,

I am so dismayed to hear that Bree Newsome was disinvited to speak at Asheville Middle School.

My daughter was a student at AMS, and if she were there today, she would be lucky to hear this brave woman and regional hero speak. We live in times that are confusing and tumultuous for young people, and it is so important to lift up our heroes who follow their truth, even if they are ahead of their time.

I implore you to re-invite Bree Newsome and to give her the warm welcome she deserves.

Sincerely,

Amy Hamilton
