Subject: Downtown Commission Parking & Transportation Committee

---

Hello Multimodal Committee!

The Downtown Commission started a Parking & Transportation committee in 2017. We are working regularly with COA transportation staff on parking concerns, loading zones, policies, funding strategies, technology, aging decks, transit stops, etc. We would like to welcome a member of the Multimodal Committee to our table. To date, Kim has been coming regularly and Rich and Bruce have come a couple times. We wanted to make sure the entire committee has the opportunity to throw their hat in if interested. This would be a voting seat, although we mostly discuss and rarely vote on anything.

We meet on First Mondays at 11am in the 5th floor conference room at city hall.
We meet monthly, typically 10 months a year.
Here is the drive folder with agendas and minutes.

If you are interested, please email me by Friday, Sept 28th.
Thank you for considering,

Sage
Downtown Commission Chair
