Greetings, All~

Â Â I wanted to let you know about something very special that will be happening in our classroom on Friday morning. Â

Â This week, we have been discussing communities and the different important elements of a happy community.Â The Cheetahs have teamed up in small groups to plan and sketch out their vision for an important community element such as a school, hospital, market or fire station.Â Today and tomorrow we are working hard to build a "Fairy Village" a community for tiny fairies, elves, gnomes and pixies made entirely of natural materials. Â

Our village will be on display at drop-off on Friday morning from 8:55-9:15.Â We invite you to come in and take a look around and share the magic with us!

With a pinch of pixie dust,

Rachel & Josie
