Subject: For MMTC minutes

Janet and Dianna,

Here are two items for the MMTC minutes:
1. Transit Committee report: A motion was passed advocating for dedicated CoA official social media presence for ART specifically, managed by transit staff, including I-Ride alerts. Request that this be on our next MMTC agenda. TC members request a representative of the TC be invited to the hiring committee for the Transit Planning Manager position. Recommend that the MMTC endorse the FFAB funding initiative, which includes designation of $6 million annually in transit funding. Request that this be on next month's agenda.
2. Change September minutes on page 2 about Equity-Based Task Force:
"Appreciate that it's called equity-based vision zero, but can not be equity-based if people at the table are not representative of our community. Need people at then table who are effected."

Thanks!
Kim
