Subject: Transit committee - bus fire

Good morning Transit Committee members,Â Â

As many of you are probably aware, one of the buses caught fire yesterday evening around 6:00 pm.Â No one was injured. It was a 2006 Gillig bus.

The driver dropped off their last passenger at Westgate and then heard a noise and saw smoke.Â The driver immediately pulled over and City Fire and PD were called.

City Risk Management staff will be assessing the bus in the coming days and we willÂ keep you apprised of any additional information as it becomes available.Â Â

Thank you, Jessica
