Apology accepted. I'm glad we were able to clarify the records request.

While I appreciate the form being sent along, I want to clarify that this request is for the forms completed during the period specified in the original request: i.e. the completed forms showing which businesses were requesting officers and which officers were requesting secondary employment. If that request is still in process, excellent, but I want to make clear those are the records we're requesting.

Dear Ms. Forbes:
The record custodian has asked for clarification regarding this tequest. Do you want the record the officers fill out when getting permission to work secondary emploment? Or, do you want the records businesses use when wanting to use secondary employment officers?
Thank you.
