Good Afternoon Bunc. Co. Government and Bunc. Co. Sheriff's Department,

We've just received a new request via www.sunshinerequest.com for information that may be available in your office.

Here are the details of the request:

Subject: Electronic Communications

Message:

"Hello Sunshine Request!

I would like to inquire to Buncombe County government, including the Sheriff's Department and the District Attorneys Office, concerning communications to and from Diana Moon, also known as Diana Starr. I would like copies of any electronic communications, whether they be in email form, instant messenger, or social media from June 1, 2017 to the present. Thank you in advance, and for everything you do to ensure open and transparent government!"

Thank you for your assistance!
