You will need to get a street closure permit through Ted Williams. Ted is at 70 Court Plza; I do not know if you have to come into his office or not.

Hey Misty,

I need to pull a permit for 53 College St. We will need to shut down the street for a few hours. I have already spoke to (I believe) Mr. Williams regarding this. He did say that I would need an extra permit. Do you know which one he is referring to? I wrote it down and did not get my note back when my sales set up the job. Thank you!!
