Megan,

OK thanks for the information. Did I mention to you (I forget) about an "After Hours Work" permit that possibly could be required for the location of the work. That permit is required for work happening between 7 pm & 7 am, if residents are in within a specific distance of the work. Contact person is Anne Graham in Building Safety @ 828-271-6144. I have attached the updated closure permit, no additional fee is needed.
