Subject: Permit #17-09955 - 1413 Patton Ave

Good morning,

I am with the City of Asheville Cross Connection Control Office. Please have Dr. Gottfried call me regarding the permit listed above. I need to schedule a meeting to confirm that the existing backflow assembly located in the basement of 1415 Patton Ave covers 1413 Patton Ave, also. This will require the water to be briefly turned off at the current backflow assembly. Please contact me directly to schedule a time that is good for your office.

Thank you,
