Victoria, thank you for this message. I have a couple questions since slipped my radar:

1. I closed out the primary bank account in advance of the last report I submitted. Do I still need a report for that account?
2. There has been no action in the paypal account. Do I have to submit a digital file, or do I bring the two pages to your office?

Thanks,
Kim

Good afternoon,

As of today your Mid-Year Report, which was due on 7/28/2018, has not been submitted. Please submit your report as soon as possible as late reports are subject to penalties.

Thank you,

Victoria
