Hi, everyone!

I just wanted to remind folks who have not yet registered for this event that we still have room for about 10 more people, and would love for you to participate. Please register by Wednesday if you plan to attend, so that we can get an accurate count for food purchases. See you on Thursday!

Here is the event registration for the NC Justice Center Policy Briefing.

Please complete this registration if you are interested in coming. We have room for 50 people max, and breakfast and lunch will be provided. Parking is convenient and easy in the gravel parking lot adjacent to the Ambrose West building. Interpretation will be available.

Feel free to share with those who you think would be interested in attending, but remember that capacity is limited.

Thanks, everyone!
