Hi Kim,

I did receive your report cover for the 2018 Mid-Year, however, I do not see that a 2018 Mid-Year report was ever filed with the State Board of Elections. I went back through all the reports that were filed with the State Board and your committee is showing a balance of \$3,360.81. You will need to submit the 2018 Mid-Year report with the State Board of Elections detailing how the remaining balance was disbursed before I can close the committee.

Victoria, here's the updates:

1. There were overlapping reports that were cumulative via the software. I am working to update with amendments.
2. All accounts are zeroed out.
3. I am sending the mid-year and final reports with Emma Hutchens, a former volunteer for the campaign.
4. I have sent the Certification to Close as well.

Have a good weekend,
Kim

Kim,

I was going through emails and just noticed I missed this one. I'm very sorry. We cannot close the committee until you're at a zero balance. If you're not raising or spending money you may put the committee in an inactive status. You can access the reports you have filed at <https://cf.ncsbe.gov/CFOrgLookup/DocumentGeneralResult/?SID=014-3G3211-C-001&QGID=34898>. You should contact the State Board of Elections regarding the software issue you're experiencing, county offices do not have access to the software at this time. You may email them at campaign.reporting@ncsbe.gov or call 866-522-4723.

Victoria,

1. It is now clear that a new report will duplicate line items, which is why you're probably looking at a balance. Is it possible to get a file of what was audited? I have nothing to compare my numbers to.
2. Should I should go ahead and

a certificate to close even while we work out the balances.

I don't know if other campaigns have had issues, but the fact that quickbooks and mac accessible files aren't being used. After this process is finalized, I'd like to know how to best support updates.

Hi Kim,

Your 2017 Year-End report shows a remaining balance of -\$5,106.71. When I audited the report I showed a balance of \$3,160.81 from what was reported in the Year-End report. You would need to submit a report, the 2018 Mid-Year report, reporting how the remaining funds were distributed and bringing the account to a zero balance. You may then submit the Certification to Close Committee form <https://www.ncsbe.gov/Portals/0/Files/P/CFForms/cro3400.pdf>. Let me know if you have any additional questions.

Thanks,

Victoria

Victoria, thank you for this message. I have a couple questions since slipped my radar:

-

1. I closed out the primary bank account in advance of the last report I submitted. Do I still need a report for that account?
2. There has been no action in the paypal account. Do I have to submit a digital file, or do I bring the two pages to your office?

-
Thanks,
Kim

Thank you.
