Victoria, thank you for the clarification. I will have to find another windows computer to use since the program doesn't work on a mac.

Hi Kim,

Your 2017 Year-End report shows a remaining balance of -\$5,106.71. When I audited the report I showed a balance of \$3,160.81 from what was reported in the Year-End report. You would need to submit a report, the 2018 Mid-Year report, reporting how the remaining funds were distributed and bringing the account to a zero balance. You may then submit the Certification to Close Committee form <https://www.ncsbe.gov/Portals/0/FilesP/CFForms/cro3400.pdf>. Let me know if you have any additional questions.

Thanks,

Victoria

Victoria, thank you for this message. I have a couple questions since slipped my radar:

1. I closed out the primary bank account in advance of the last report I submitted. Do I still need a report for that account?
2. There has been no action in the paypal account. Do I have to submit a digital file, or do I bring the two pages to your office?

Thanks,

Kim

Good afternoon,

As of today your Mid-Year Report, which was due on 7/28/2018, has not been submitted. Please submit your report as soon as possible as late reports are subject to penalties.

Thank you,
