Subject: Pre-primary report
Date: Saturday, October 7, 2017 12:34:00 PM

Good afternoon,

As of today your committee's Pre-primary Report is not showing on the State Board of Election's website. I have contacted the State Board of Elections to be sure it was not an oversight on their end, however, all the reports that they have received have been uploaded. Could you please verify that your report was successfully submitted to the State?

Thank you,

Victoria
