McCray,
Please give me a call in reference to the DSS Building Construction on Coxe Ave. The architect, Keith Hargrove, Engineer Rep, Nick Bowman, Project Manager Bill Stafford and the contractor and I would like to have a quick meeting with you and Marcus sometime tomorrow to show an alternate design for the storm sewer. I know you are off Friday so we are trying to meet tomorrow to facilitate the project moving forward. My desk is 250-4854 and cell is 545-2197.
Thanks
