**Subject:** Request for gas maps need BC landfill

---

Don,

I hope you are well and ready for a Merry Christmas. I met with Jon Creighton with Buncombe County. He asked if we had information about where the gas lines are located near the landfill. I told him I would contact you to see if this information could be made available to Buncombe County.

I am copying Jon on this email so you can communicate with him directly.

Thanks and Merry Christmas.

Cathy
