REQUEST MEETING TO DISCUSS PUBLIC SAFETY
DIRECTOR POSITION.

Commissioner Gilroy,

My name is Peter Blaich and I am a resident of the Town Of Cornelius since 2014. I have applied for the position of Public Safety Director and have attached my resume to this email for your review. I have previously met with Cornelius Town Manager Andrew Grant and Huntersville Town Manager Anthony Roberts as well as Cornelius Town Commissioner Denis Bilodeau with regard to my position on public safety for the Town Of Cornelius and new proactive ideas on how to manage both our police and fire departments. I have extensive experience in public safety management as well as public safety budgeting and strategic planning. Both as a New York City Manager under the Bloomberg Administration and as a Professor Of Public Administration for John Jay College Of Criminal Justice the City University Of New York.

My 25 year career with NYC has spanned from being a NYC Police Officer, NYC Firefighter, NYC Fire Marshal, NYC Fire Officer and NYC Executive Officer and City Manager under Mayor Mike Bloomberg. At the NYC Office Of The Mayor I reported directly to the NYC Comptroller who is the City's Chief Financial Officer. Working for the Comptroller's Office I was tasked with streamlining fire and police responsibilities and curbing public safety spending, all

the while, maintaining essential services.

In short I have already identified key areas in which public safety in Cornelius could be making money and receiving funds instead of just paying out.

I would asked that you review my attached resume and afford me the opportunity to meet with you to discuss measures that will save the town money and plan strategically for future growth.

Sincerely,
Peter Blach
