Jake:

Do you remember which survey it was?

Subject: Survey Results

Rusty,

I am working on a project for school and would like to include some of the results of the survey that you guys did a few years ago. Would it be possible for me to get a copy of the results? Thank you!

Jake

The one where you were asking about facilities that the community would need. It had the indoor pool, driving range, athletic fields and things like that.
