Hello Rusty,

Attached is the RFQ being sent out to interested architect firms. I will also advertise next week in the newspaper. The time shows a review / interview time for the week of October 30 –November 3. I am going to have Jan set up a meeting between us early that week. We can review the information together. I think it would be good to include Michael and Heather in on these conversations. The complexity of our conversation will depend upon how good the responses are. If anyone calls you to ask about this process please provide them a copy of this RFQ and refer them to me for further questions.

Thanks,

Don Adams
