Sandy:

I had heard about is closing but wasn't sure if that meant for good. I'm trying to get some firms to come in a perform an economic impact study for an indoor pool centrally located in Jackson County, which I would hope would be her at the Recreation Center in Cullowhee. When it comes time I may ask you and the other swim team participants to help me advocate. Thank you for informing me on this.

Hi Rusty,

You may already know this, but the Zeugner pool in Asheville is closing--apparently forever--in March. It's the only public indoor pool in Buncombe County. A lot of high school swim meets are held at Zeugner, & its closing will impact swim teams all over this region. I know you've been an advocate for swimming facilities in the past, & just thought this might be helpful information when considering future plans for recreational facilities here.

Thanks,

Sandy Davis
