I've heard/read that there is a plan to build a pool in Cullowhee. I'm wondering if you have considered covering the pool in Sylva and save the county millions of dollars! It is already there and centrally located and sits empty most of the year.

The pool in North Raleigh would get a dome over it every winter and allow us to swim inside.

I of course am hoping to save money for a new animal shelter!!!!!!

As Always,  
Jane Finneran

PS Hoping you can open the attached.

Ms. Finnegan,

The objective for the pool is to place a bond referendum on the November 2018 ballot that would fund an indoor pool if approved. If voters said no, bond financing would not be pursued and pool would not be built. (speaking on my behalf not the entire board)

I had suggested last spring to move the animal shelter up one year on the capital project budget which was done. We are trying to identify a site.

If a bond referendum was placed on the ballot and approved that would provide a new funding stream for the pool and would not adversely impact a new animal shelter. I discussed this with Chris Tyson and Pat Thomas a couple of nights ago.

Thank you for your comments. I always appreciate hearing from the voters.

Happy holidays!
