Hi Rusty,

Hope you had a great vacation. I wanted to touch base about finding a time to talk about the Rec Board's desire for an indoor pool. I know it's at the top of the list of desired projects, so I was hoping to talk a bit about how such a facility might be used and why it would be an important asset for the county to add. When this week would be good to catch you for 15 minutes or so, and what would be the best number to reach you? I should be available on my cell (240-520-9757) most of the day tomorrow.

Just let me know.

Thanks,

Holly
