Subject: Re: Participant count for April 18 Langren clean-up

You go, Dana!

Thanks for your help!

Dane

Go Team Langren! Awesome job. The turnout and work of the Langren neighbors is impressive. I think it was the largest team that participated in the Clean Up Day!Ã

Some more good news: staff from our public works department will be doing some patching work on the street today, and street-sweeping this evening.Ã

In order maximize the benefits of the street-cleaner, **please consider moving trash bins out of the street this evening** (into the adjacent parking lot or another suitable location). If some trash bins need to stay in the alley, please try to consolidate them so that the cleaning truck can cover as much area as possible. The truck is a bit noisy, so please be aware of this. It will be there in the early morning hours, finishing up by 5 AM.Ã

Please let me know if you have questions.Ã

Thank you!
DanaÃ

Our *Team Langren* clean-up is this coming Wednesday, April 18 at 11am.Ã

Dana Frankel, Downtown Development Specialist, said we'd also use this time toÃ check-in on how Alley conditions have been since our March 22 meeting.

I received responses that **13 people plan to attend** the Team Langren clean-up.Ã **Yeah!Ã** The list of responses is below.

If you plan to join us and aren't on the list count please let me know.Ã I can then provide an accurate count to GreenWorks when I sign us in on the 18th.
