Hi Keith,

How are you?

Thank you so much for hooking me up with Bryan. He's super helpful and I'm looking forward to meeting you both on the 23rd.

Quick question, would you be interested in having the film shown at the center in December? I'm asking because I'm not getting the response I had hoped for with the local theaters, and maybe it should be where Pisgah and Mitchell are?! Just a thought.....

Thanks again, Keith.

Have a great weekend.

Diana
