Subject: Participant count for April 18 Langren clean-up

Our Team Langren clean-up is this coming Wednesday, April 18 at 11am.Â

Dana Frankel, Downtown Development Specialist, said we'd also use this time toÂ check-in on how Alley conditions have been since our March 22 meeting.

I received responses that **13 people plan to attend** the Team Langren clean-up.Â **Yeah!Â** The list of responses is below.

If you plan to join us and aren't on the list count please let me know.Â I can then provide an accurate count to GreenWorks when I sign us in on the 18th.
