Subject: 25 Hayeood St., Permit #18-05330

Mr. Greer,

Â

The referenced project has been "Approved With Conditions" (see attachment) by the Plan Review Department. Those items indicated as "Approved as Noted" are some items that our field inspectors will be looking at for compliance during construction. Comments from other departments may be sent separately.

Â

**Once all reviews are completed and approved,** someone will contact you from the Permit Application Center to let you know when your permit will be available for pickup.

Thanks,

Â

**Wilburn (Will) Crater**
