Good morning;

I received your voicemail this morning and am forwarding this email in the hopes that it makes it to you this time. It does appear that I had left off a letter in your email address.

Thank you;

Good afternoon;

Attached is the issued Alterations permit for the Change of Use from Long-Term Renting to Short-Term. While this permit will not need to be renewed, you will need to [fill out this application](#) to get a STVR permit and you will need to reference the permit number from the Alterations. The STVR permit **does require a yearly renewal**.

Let me know if you have any questions.

Thank you;
