**Subject:** [EXTERNAL] Social Determinants of Health - " The Real Asheville Initiative"

Hello Everyone:

The Meeting notes from yesterday are attached.

Thank you for meeting yesterday morning. It was a great meeting, as we finally

agreed that power and policy - making belongs to the people who are most impacted by policies which have the effect of creating barriers to opportunity and stressors which affect our health.

Please contact me if you have questions, additions, concerns, etc.

I look forward to seeing you at the large group session on 7/12. Thanks to Pan Brown for hosting the "Porch Group" every Friday as they formulate questions and continue to challenge established processes with great strategic input and thought-provoking questions which task up to a higher calling of serving as vessels to gather data which can help to empower people in our community who are the most vulnerable.

Regards,

Dee
