David,

I took a more comprehensive approach and searched for any emails about the data itself. I've attached them - I'm not sure if there is anything else about the meeting itself but we want you to have all of the available information from our end as well.

Thanks,
Ben

Thanks Ben, these are quite helpful. I still have to ask though: are these all the emails? Were there no internal APD emails discussing the setting up of the meeting? Were there no emails from/to Dillashaw or Sgt. Coward before the last PSC presentation concerning Housing Not Handcuffs?

Believe me, I know wrangling email search can be tricky on this front sometime, but I want to make absolutely, completely sure that these are all the emails so we can communicate the context of this debate to our readers accurately and not leave anything out.

Best,

David

David,

I found a few more emails, which are attached. Thanks for asking - I focused on emails between to/from Patrick the first time and did not intentionally withhold these. I am confident these are all the emails regarding the data and meeting.

Let me know if you need anything else,
Ben

Thanks for the response (and sorry for any confusion about the meeting date). Ben, these documents are much appreciated. Just to briefly clarify: these are the only emails from or to city staff discussing the Nov.

30 meeting or the response to Housing not Handcuffs?

Best,

David

I have some questions about a meeting that took place on Wednesday, Dec. 14 at the municipal building between Dee Williams of the NAACP's Racial Justice Committee and Patrick Conant of Code for Asheville and Asheville Police Department Chief Tammy Hooper, Assistant City manager Paul Fetherston and other APD and city officials. These questions are based on direct, detailed discussions with attendees. I'm seeking an account from the city of what happened and what the motivations were for statements made that afternoon.

Please consider this email to constitute two open records requests:

- 1) Any emails from city staff discussing the arrangement of the meeting or its circumstances, both before and after it took place.
- 2) Any emails discussing the Housing not Handcuffs press conference or the data presented there.

Thanks for your help and cooperation.

Best,

David Forbes
