Hi David,

Thank you for your patience as we researched where we are with this. There is going to be an item scheduled for Council's Sept. 22 meeting. More information will be available ahead of the meeting.

Hey Dawa, hope you're well. I wanted to check in on two things:

- 1) What's the current plan for the living wage increase for city workers, including those classified as "temporary/seasonal" employees? When is it slated to come before Council? When will the raises go into effect?
- 2) Have any departments, like the U.S. Cellular Center, that use temp/seasonal workers extensively been directed to make the raises without additional funds (i.e. by cutting hours or positions)?

Thanks for your help on this. Lots of rumors flying around and the more info we get, the better.

Thanks,
