David,

The Draft Minutes for the February CPAC meeting are attached. They were evidently not approved at the March meeting and will not be available online/finalized until they are.

I'll let you know when anything responsive to the rest of your request is available.

Ben

Subject: Questions re: CPAC minutes and records request for emails

Good afternoon. I'm researching a piece about CPAC, its role, challenges, recent history etc. In the process of looking over its records and agendas I realized that the minutes for its February meeting are not up on the city's website. This is a records request for a copy of those minutes and a notification of when they are posted and made available to the public.

This is also a records request for all emails and correspondence between any committee members, including Chair Larry Holt, city staff and community members regarding the scheduling and format of the March 1 meeting including but not limited to the decision to have APD officials absent from that meeting.

Thanks for your help.

Sincerely,

David Forbes
