David, the document is too big to e-mail. I'll try to break it down into 2-3 emails.

Also if you can send along the Benchmark study results when you get a chance, that'd be great. Thanks, I know today is busy with the agenda.

Best,

David

Hey Maggie, hope you're well. I just headed to the Council agenda page to review some of the bond documents from the last meeting's agenda packet but got a "page not found" when I clicked on them. Can you send me the correct link or attach the documents? Thanks.

Best,

David
