Subject: RE: Airbnb emails

Good Afternoon Mr. Forbes,

I spoke with our IT department. They have the capacity to convert data files from .mbox to .pst and are investigating if they can do the reverse. I will keep you posted as I know more.

Cordially,
Alex Carmichael

When possible, please give me an update on this formatting issue.

Best,

We also tried to open this on one of our writers' pcs and the files still won't open, so please adjust the format to something more commonly readable. While it's not perfect, pdf has been used before to fulfill some of these requests for emails.

Thanks,

David Forbes

Good Afternoon Mr. Forbes,

I am not aware if we have that capability or not, but I have asked and will let you know once I hear back.

Specifically, converting it to .mbox should work fine.
